Noosa Pengari Playgroup

The Noosa Pengari Steiner School Playgroup is a gathering for parents with young children, based on the perspective of child development given to us by Rudolf Steiner. Our Playgroup aims to create an environment which nourishes and protects the sensitivity of the young child.

The Playgroup is the ideal progression for all students looking to enrol in Pre-prep the following year and if space is available we welcome children from 2.5 years old until the year they turn 5. Children attend with mother, father (or even a grandparent). Whilst babies in mum's arms are welcome to attend with a Playgroup sibling, Playgroup activities are not suitable for mobile babies and toddlers under 2.5 years old.

Where: Noosa Pengari Steiner School, 86 Nyell Road, Doonan. Possum Place building.

When: Playgroup is held each Tuesday during term time, with a morning session 9.15am - 11.15am and an afternoon session 12.30pm - 2.30pm.

Fees: \$200 per term (each child can only attend one Playgroup session a week)

Playgroup Leader: Camilla Swan-Ward

Please be aware that places are limited and a waiting list may exist. It is important to complete the Playgroup application form and return it to the office so you can be contacted should a vacancy open up.

For further information contact the School Office.

Email: enrolments@noosasteiner.qld.edu.au

Phone: 07 5471 0199

There is no application fee for Playgroup and School enrolment is a separate process.

Playgroup application forms can be found on the school website here: <https://www.noosasteiner.qld.edu.au/enrolment>
