NOOSA PENGARI STEINER SCHOOL

PRESCHOOL CHILD BIOGRAPHY

Please complete this form and bring it with you to your child's interview with the Teacher/Teachers. The questions asked on this form are done so for the sole purpose of having a clear and full picture of your child and assessing the School's ability to meet your child's needs. On page 5 you will find an excerpt of our Privacy Policy – the full Policy is available upon request from the School office.

The placement of a student is conditional upon: The parents' willingness to co-operate with major recommendations where they affect classroom behaviours; and full and honest disclosure of the child's development, health and behaviour.

If you have more information you would like to share with us, please feel free to attach more details.

			PRIVACY CLAUSE							
	The School collects personal information, including sensitive information about pupils and parents or guardians before and during the course of a pupil's enrolment at the School. The primary purpose of collecting this information is to enable the school to provide schooling to your son/daughter.									
2)	 Some of the information we collect is to satisfy the School's legal obligations, particularly to enable the School to discharge it's duty of care. 									
3)	 Certain laws governing or relating to the operation of schools require that certain information is collected. These include Public Health laws. 									
4)	Health information about pupils is sensitive information within the terms of the National Privacy Principles under the Privacy Act. We ask you to provide medical reports about pupils from time to time.									
5)	5) The School from time to time discloses personal information and sensitive information to others for administrative and educational purposes. This includes to other schools, government departments, medical practitioners, and people providing services to the school, including specialist visiting teachers, coaches and volunteers.									
6)										
7)	 Personal information collected from pupils is regularly disclosed to their parents or guardians. On occasions information such as academic and sporting achievements, pupil activities and other news is published in School newsletters, and magazines. 									
8)	8) Parents may seek access to personal information collected about then and their son/daughter by contacting the School. Pupils may also seek access to personal information about them. However, there will be occasions when access is denied. Such occasions would include where access would have an unreasonable impact on the privacy of others, where access may result in a breach of the School's duty of care to the pupil, or where pupils have provided information in confidence.									
9)	9) As you may know the School from time to time engages in fundraising activities. Information received from you may be used to make an appeal to you. It may also be disclosed to organisations that assist in the School's fundraising activities solely for that purpose. We will not disclose your personal information to third parties for their own marketing purposes.									
Tha	Thank you for your co-operation. This form is confidential and will only be used by the teachers.
