The School may terminate the enrolment of a student if School fees remain unpaid at the end of a term for which the fees are due. Fees outstanding after a student's enrolment ends for any reason will be referred to a collection agency.

Communication with the office is vital.

Sibling Discounts

While the costs of educating students remain the same, the school recognises that school fees can be more difficult for larger families. Fee concessions are offered to families with more than one child. The eldest child in the family who is enrolled at the school is considered the first child in every case and discounts apply in order of the first to the last child.

- 2nd child 10%
- 3rd child 20%
- 4th and subsequent children 30%

Financial Assistance

A limited amount of concessional financial assistance may be available for families in short-term financial difficulty. Please contact the Principal to find out more.

Early Withdrawal from School

Ten (10) school-term weeks' notice, in writing, from the person responsible for the payment of school fees and addressed to the Principal is required for the intended withdrawal of a student from school. **Full fees are payable in lieu** if this notice is not provided.

Community Participation

Families who enrol at the Noosa Pengari Steiner School are asked to make a commitment to the school community by attending working bees and assisting at the annual Pengari Children's Festival. Your involvement is truly invaluable to the School and the students (as well as fun).

Fees Variation

It is the intention of the School Board that the fee levels set prior to the start of each school year will remain in force for the whole of the year. However, the right is reserved to change the level of fees during the year, if factors outside the control of the School Board impact significantly upon the cost of operating the school.
