

## Schedule of Fees 2022

Effective from 1 January 2022

### Enrolment Application Fee

The Enrolment Application fee of \$220 (GST included) per child is paid once the application is lodged and is non-refundable. This fee covers the administrative cost of enrolment and the **initial** interview. The enrolment process will commence once the application fee is paid.

### Enrolment Confirmation Fee

The Enrolment Confirmation Fee of \$500.00 per child is non-refundable and holds a position for the child in the class. Enrolment confirmation is subject to payment of the confirmation fee. Your enrolment process is complete when the enrolment confirmation fee has been received.

The Enrolment Confirmation Fee covers the administration costs associated with processing your child's application. This involves registering and reviewing your child's documents, organising and holding interviews with the Class Teachers and School Principal, evaluation of your child's needs and the suitability of the school to your child. This also covers the preparation and submission of student data to the government so that we can receive funding and keep the tuition fees at a reasonable level to be able to provide your child with a quality education and resources.

**Please note: It is the parent's responsibility to set-up regular payment plans via direct debit with the school. [Direct Debit Form](#)**

### Late Payment

Unless prior arrangements are made with the school, fees that are overdue for longer than 1 month without any arrangements in place will incur late payment charges of \$50.00 (plus GST) per month from the date payment is due until fees are paid. The school may terminate the enrolment of a student if School fees remain unpaid at the end of a term for which the fees are due. Fees outstanding after a student's enrolment ends for any reason will be referred to a collection agency. **Communication with the office is vital.**

### Sibling Discounts

While the costs of educating students remain the same, the school recognises that school fees can be more difficult for larger families. Fee concessions are offered to families with more than one child. The eldest child in the family who is enrolled at the school is considered the first child in every case and discounts apply in order of the first to the last child.

- 2<sup>nd</sup> child 10%
- 3<sup>rd</sup> child 20%
- 4<sup>th</sup> and subsequent children 30%

### Financial Assistance

A limited amount of concessional financial assistance may be available for families in short-term financial difficulty. Please contact the Principal to find out more.

### Early Withdrawal from School

Ten (10) school-term weeks' notice, in writing, from the person responsible for the payment of school fees and addressed to the Principal is required for the intended withdrawal of a student from school. **Full fees are payable in lieu** if this notice is not provided.

### Community Participation

Families who enrol at the Noosa Pengari Steiner School are asked to make a commitment to the school community by attending working bees and assisting at the annual Pengari Children's Festival. Your involvement is truly invaluable to the school and the students (as well as fun).

### Fees Variation

It is the intention of the School Board that the fee levels set prior to the start of each school year will remain in force for the whole of the year. However, the right is reserved to change the level of fees during the year, if factors outside the control of the School Board impact significantly upon the cost of operating the school.
